

TSGS SPEAKER'S BUREAU DIRECTORY

Ruth Fischbein Lloyd

Ruth is a 2nd generation child of Holocaust Survivors. Her parents never spoke about their horrific experiences. Ruth became interested in her family genealogy after her father passed away in 1992 (her mother died in 1979). She found a box of papers and photos in the top of her father's closet. After looking through all the documents and photos, it sparked her curiosity and she had a huge interest in learning whatever she could about her parents and their family in Poland as well as their lives before the Holocaust. She had to find out more about the family she never knew. After years of research she felt the need to tell her parents' story and how she found her information.

Ruth was born and grew up in Fort Worth, Texas. Graduated from University of Texas at Arlington with a Bachelor's degree in Business/Marketing, and finally retired in 2017 after 40 years in the paper industry where she excelled in customer service and sales.

Ruth has been speaking publicly since 2009. She has been sharing her family history with Genealogy Societies and schools. She is a member of the Grand Prairie Genealogy Society and the Texas State Genealogical Society.

This is a personal need and obligation in honor of her family as to why we should NEVER FORGET this time in our history.
